

2017-2018 Membership Dues Form

Mishkon Tephilo is open to all Jews, regardless of income. Our ability to welcome all Jews who wish to be a part of our community depends on the generosity of our congregants. We ask that you be thoughtful about your financial ability to contribute and, if you are able, to consider pledging at a higher level so that Mishkon can remain open to those who could not otherwise afford to be part of our community. **If every member were to contribute at the Chai level, Mishkon would be able to cover its expenses for the coming year with virtually no additional fundraising.** Please check one box below:
